

Well done to our trophy winners for excelling at the talents listed below.

No special distinctions this week as all pupils have been brilliant whilst practicing the school production!

Infants

In the infants we have been studying 'alliteration' this week, ask your child to give you some examples. Over the weekend whilst you're out and about have a go at making some up with your child as a game and see what they come up with-see how long you can make them! In maths we have been combining symmetry with calculations.

On Wednesday we released our butterflies that we have been 'growing'. The day was perfect and the children were delighted as the butterflies fed off the food in their hands, and some butterflies landed on the children. It was magical.

Juniors

The juniors have had a very busy week this week. On top of the rehearsals- which are going excellently- we have been consolidating our maths knowledge.

We had Mr. Ben Stevenson visiting the juniors this week to talk about engineering. Our children bombarded him with loads of questions and as he left, he said how impressed he had been by them.

General Information

Menu

Please return the new dinner menus for September as soon as possible or your child will end up with something they don't like.

Bassenfell

Please return the enclosed Bassenfell forms by Thursday the 20th so that we can get all the information sorted and submitted to them.

School Play

School production is on Monday at 1.30pm and 6.00pm.

Please bring your child for 5.30 pm for the evening production so that we have time to get them changed in to their costume.

Entry is by £1.00 donation on the door.

If you could donate something for the raffle we would be very grateful.

It is a fabulous production, you won't be disappointed!

Assembly

We will be having our leavers assembly on Wednesday (sniff sniff) so please feel free to attend if you wish to do so.

Water Pistol Fight

As you now know, it is our school tradition to have a water fight on our last day. Please send your children with a change of clothes and a water pistol so that they can join in! The teachers join in as well.....

Uniform

We are setting up uniform supply through Tesco ('Florence and Fred') so that you will be able to order and pay for uniform supplies as the need arises which will be delivered straight to you. We still have supplies from the original supplier which you can still buy from us, please ask at the office. The Tesco account should be up and running by next week, we will advise you in next week's newsletter.

Dates for your diary

Monday 17 th July	School production - 1:30pm & 6pm
Tuesday 18 th July	STEM visit from Sellafield
Wednesday 19 th July	Leavers Assembly 2:30pm
Thursday 20 th July	Finish for summer holidays – 1:15pm
