| Lower Junior | Lewis Robinson for amazing reading attainment  |
| Upper Junior | Zac McDowell for independent maths.  |

### Ofsted

Look out for an article on our recent Ofsted inspection and report in The Whitehaven News next week.

### Infants

In the infant's this week we have been continuing with calculations especially with subtraction.

The Reception children have begun to do simple recordings with their calculations. We have had our second spelling test; the children are so excited and have done well again. Thank you for practising with your child.

Year 1 have begun to do written English comprehension work, therefore the links to reading become more important. Could you please ask your child many questions when they are reading? Also ask them how they would write the answers down.

### Juniors

The Juniors loved "The Snappy opera" this week. We are so excited about being involved in this project with Rosehill and Mahogany Opera Company. We hope you can all come to the show later on in the year when we will perform with 5 other local schools.
