

Trophy Winners

Well done to our trophy winners. We choose a talent they've especially shown, to share with the whole school.

Reception	Layla Barwise for always being on task and confident
KS1	Lola Cross for being kind and supportive to others
Lower Junior	Leon Shepherd for hard work
Upper Junior	Teagan McDowell for English and Maths

School Photographs

If you would like to place an order photographs please return your order by Monday 21st November to ensure delivery before Christmas. Please note that any order after this date will be subject to a £4 late order postage charge.

Juniors

The Juniors have been really busy this week. They have been writing letters to Mr Nicholson, our STEM liaison officer to tell him about our learning and new skills from "Engineering week".

We have begun writing our robot stories, for 9-11 year olds, that we are going to publish into paper engineered story books to add to our library.

In maths we worked on calculation strategies and moved into decimals and fractions today.

Special mention for hard workers in Maths and English:

Daniel Johnston - story
Roseanna Williams – story
Addison Harris – ratio
Dominic Ormerod – decimals
Harry Piggott – decimals
Lucy Blomfield - science
Dexter Harman – swimming (backstroke)

Swimming is going well. The swimming teacher is very impressed with KS2's behaviour and keenness to work hard in each lesson so far.

Class 1

In Maths we have started to look at time and O'clock. Year 1 have been busy drawing clock faces and placing the numbers correctly. If out and about make clock faces e.g. stones on a beach. Also, ask your child what sort of information you can find on leaflets.

Children in Need

The children have had a lovely day today dressing up for Children in Need. In Golden time we've played Pudsey games including a balloon challenge. We have raised £66.20 for the charity.
