

Well done to our trophy winners for excelling at the talents listed below.

Reception	Logan Scowcroft for continuous improvement and confidence
KS1	Niamh McGuirk for always being on task Lola Crosby for helpful answering of tricky questions
Lower Junior	Melodi Saki and Daniel McGuirk for improving handwriting
Upper Junior	Teagan McDowell (nominated by Addison, Dylan and Roseanna) for maths understanding and learning

Ofsted Inspection

We would like to thank all Parents and Pupils for their support during our recent Ofsted inspection. We appreciate the time taken to fill in the questionnaires and to speak to the inspector. The inspector saw many positive things yesterday and we look forward to receiving the report in a few weeks' time.

Keeping children safe

The NSPCC also visited our school on Wednesday. They have talked in an age appropriate way about how to stay safe and get help if they are being abused.

Juniors

Class 3's "Terrific Scientific" lesson on Monday was a huge success. We have submitted our results to the Nationwide BBC project and we are looking forward to joining in with the BBC live lessons over the internet on Tuesday morning.

Dates for your diary

Thursday 26 th January 2017	Junior trip to Glasgow (7:20am - 5:30pm)
Monday 13 th February 2017	Library van visit
Friday 17 th February 2017	School finishes for half term 3:15pm

Glasgow trip

The Juniors are getting very excited about their trip to Glasgow to visit the Glasgow Science Centre next Thursday.

Children will need to arrive at School at the earlier time of 7:20am to ensure that the bus can leave promptly at 7:30am.

During the day we will explore the museum which will include a presentation in the Planetarium.

We will be leaving Glasgow at 2:30pm and expect to return to school for 5:30pm.

Can you please ensure that your child is dressed in full uniform and has a warm coat and appropriate footwear.

As we will be out all morning and won't be back in school time for lunch can you please send a packed lunch, snack and 2 drinks in a named bag with your child (no fizzy drinks please and preferably screw tops).

If your child needs travel sickness pills can you please give them one before they come to school. An additional tablet should be given to the class teacher in a named envelope for the return journey.

We are asking for a contribution of £10.00 as School will fund the rest of the trip (total cost per child £19.21).

Please note children will not need spending money as we will not have time to visit the shop.

If you haven't already done so can you please complete the permission slip below and return to school on Monday.

Glasgow trip

I give my permission for _____ to visit the Glasgow Science Centre on Thursday 26th January 2017.

Signed _____

Parent / Guardian
