Thank you and Goodbye

I have been overwhelmed by all your kind words and never had so many hugs before. Being a School Administrator is one of the best jobs in the world and it has been an absolute pleasure working here. I am so proud of each and every one of the children here and can't wait to see them in "Peter Pan" in the summer. Thank you and Goodbye.

Infants

The infants have now finished their rainforest topic and they and the teachers have really enjoyed learning about this environment. The amount of different things they have learned about has been amazing. Our next half term topic is about 'significant authors'. We will explore stories from such authors as Roald Dahl, David Walliams, Mick Inkpen, Martin Waddell and many others!

Juniors

The juniors are very sad this afternoon as they say their goodbyes to Mrs Mills.

On Monday we tested our 'EV3' which is our new robot- and it works great. We are looking forward to learning more about robotics in the new half term. Another topic in next half term will be 'Ancient Egyptians' which we are also looking forward to.

We are enjoying learning our scripts for the upcoming school production of 'Peter Pan' and are really looking forward to performing it. Can you please help your child with the learning of their lines? Thank you.

On Wednesday afternoon this week we went down to the Lowca Rugby Club with pupils from Lamplugh School and participated in a range of athletic challenges. We all had a great time and the weather was very kind to us.

Well done to the year 2 pupils who have now completed their end of Key Stage 2 SATS Next is the year 1 phonics assessment which will be in the week beginning 12th June.

Mrs Mills

Mrs. Mills had been an amazing part of our school over the last five years and we are really going to miss her. We wish her good luck and all the best in her next adventure at Dean School. Good Bye and a very fond farewell.
