

Well done to our trophy winners for excelling at the talents listed below.

Reception	Roxy Barton for fantastic phonics
KS1	Lily-Rie Shepherd for concentration and improvement especially in reading.
Lower Junior	Daniel McGuirk for fraction work
Upper Junior	Leikit Wong for super maths

Class 1

In the infants this week we have been busy with lots of things. Well done with our spellings, lots of practise at home –thank you. Also, in maths we have been learning about fractions, especially halves and quarters, but knowing they must be equal parts. In Outdoor Science we have made a barometer to measure air pressure. Over the next couple of weeks we will investigate their effectiveness.

Class 2

We have been busy making pancakes this week. Class 1 have been dividing pancakes into parts to build their understanding of fractions. They've also made their favourite book bunting for our library as well as reading comprehension about different forest habitats.

Class 3

The juniors have started their new topic about Food and Farming. They have looked at different kinds of farming that we have in the UK.

Lucy found the Walby Farm "Lamb Cam" on the internet and we have been keeping an eye on the lambs and now are watching a new batch of ewes who are ready to lamb. We will be

taking a trip to Walby Farm Park at the end of this half term. We are all really excited about that too.

Preparations for our Opera are underway coincidentally we have made sheep ear headbands for one set of our costumes.

We will be taking the juniors down to the Whitehaven Civic Centre by minibus after lunch on Friday 24th March. The children will perform their opera at 4pm and 6pm. They would love you to support them and tickets are available from Rosehill box office 01946 692422. We will then bring them back to school for approximately 7:45pm. If anyone need to pick their child up earlier from the Civic Centre please arrange this with Mrs Crawford.

Walby Farm Park trip

The whole school will be going to Walby Farm Park for a trip to enhance our science studies on habitats and lifecycles. We will leave at 9am on 4th April and be back at 3:15pm. After School Club will be on as usual. Children will need a packed lunch. There will be a donation of £5:00 please towards the cost of the trip. Please return the permission slip with your donation to the school office.

Walby Farm Park trip

I give my permission for _____ to visit the Walby Farm Park on Tuesday 4th April 2017.

I enclose a donation of £5:00.

Signed _____
