

Friday 4th November 2016

Telephone: 01946 372656

Welcome back after the half term holiday.

Trophy Winners

Well done to our trophy winners. Each week we choose a talent they've especially shown, to share with the whole school.

Reception

Riley McDowell for kindness and being on task

KS1

Dion Strickland for super improvement all round

Lower Junior

Lucy Blomfield for above and beyond for homework

Upper Junior

Jaydon McCluskey for a great work ethic

Technology

We have had a wonderful session developing technology skills looking at fasteners, fixings, spirals and springs. Next week we are looking forward to a technology day to celebrate Engineering week.

New Governor

We are delighted to welcome Tori Rawlinson to our governing body. We have a full governors meeting termly so if you'd like to get any issues raised please get in touch with our governors or myself. We still have a space on our governing body if any of the parents, aunts, uncles or even grandparents have any time to take on this valued role.

Headteacher: Mrs Joanne Crawford
E-mail: admin@lowca.cumbria.sch.uk

Parents Evening

If you haven't signed up already please would you put your name down for a time slot on the parent's board or return the attached slip.

Pine cones

If you're out and about in the woods this weekend please could you collect some pine cones? We will be making some lard and seed feeders with the infants in our outside science sessions.

Poppies

Poppies will be available to buy in school next week and we will be visiting our local Cenotaph next Friday for the 11'oclock act of remembrance.

Class 1

We have been doing lots of sorting, counting and sequencing in Reception this week. In Year 1 we have been calculating with + and - . In English we made up an alien pet and used alien language to label it. Next week we are going to have a focus on kindness and friendships.

Thank you for the boxes, tubes and newspapers – please keep them coming as next week we will be doing lots of “engineering”.
