Infants

Happy New Year. It's lovely to see everyone after the Christmas break which seems such a long time ago. This half term our topic is the local environment and will include local geography. Hopefully we will be able to get out and about to compare homes and buildings. Also, we will be discussing local land use and jobs. Could you maybe have a little chat with your child and explain your job or jobs that other family members do and how they travel there. Thank you.

We have notice that a lot of children are coming in on a Thursday in new and decent clothing (not old) for outdoor learning. We have therefore taken the decision that it would be better for children to wear their uniform on a Thursday as these are a cheaper option to replace. Please be aware they will get muddy, wet and full of paint.

Juniors

This term we will be learning about the Tudors. We have already made a start by looking at the Tudor time line, the Battle of Bosworth Field and the House of Tudor family tree. Next week, the children will be beginning their research project work in small groups looking at different aspects that we will not be covering as deeply in class. They will present this research at the end of the topic.

Water bottles

Would parents please send in water bottles to help keep the children hydrated throughout the day? Also a reminder for PE Kits to come in on Mondays and go home on Fridays. If anyone would like any items of uniform ordered please let us know.

After School Clubs

After School Clubs have recommenced. Tuesdays will be cookery club, a donation of £2 per child per week would be very welcome. Thursdays will continue as Movie night. Please complete permission slips to confirm attendance for your child. Clubs will finish at 4.15 as usual.
