

Well done to our trophy winners for excelling at the talents listed below.

Reception Layla Barwise for working like a little Trojan despite having an injured arm
KS1 Macie Payne for brilliant questioning skills during lessons.
Lower Junior Leon Shepherd for brilliant maths work in class.
Upper Junior Addison Harris also for fabulous maths work in class.

Infants

We are very excited this week in the infants as we have watched some of the butterflies emerging from their Chrysalids. This has triggered our interest in the whole process of the butterfly's life cycle and the changes they go through, such as how long they stay as Chrysalids. Ask your child what colour insect blood is!!

In English, we have looks at '?' and have been asking questions so that we can see the difference between a question and a statement. In maths we have consolidated some shape properties, so please asked your child the difference between 2-D and 3-D shapes.

Next week we will be looking into 'alliteration' and what that involves.

Juniors

Our Year 6 pupils had a fabulous time at Newcastle last week. They visited various sites of interest including The Life Centre, and had a great night out at the theatre seeing a performance of The Railway Children.

They enjoyed a meal out at Ben and Jerry's

This is a lovely couple of days that the year 6's really enjoy, and it really sets them up as they get into the mind set of moving up to a another school in September.

General Information

The dinner menu is changing from September 2017. It will be going on to a 3 week rota instead of the four. Can we ask you to fill in the attached menu for your child and return by Thursday 13th July so we can submit the order ready for September? As you go through the menu please be aware of your child's likes and dislikes, as we have occasions when the child refuses its lunch because 'I don't like that!' We know that you like your child to try a variety of foods but we don't want the children to think that lunch times are stressful.

Uniform

We are setting up uniform supply through Tesco ('Florence and Fred') so that you will be able to order and pay for uniform supplies as the need arises which will be delivered straight to you. We still have supplies from the original supplier which you can still buy from us, please ask at the office. The Tesco account should be up and running by next week, we will advise you in next week's newsletter.

Dates for your diary

Tuesday 11 th July	Sports day 1.30p.m. Rugby Club
Wednesday 12 th July	Sports day 1.30p.m. Rugby Club- if rained off yesterday
Friday 14 th July	Dress Rehearsal
