

Friday 11th October 2019

WINNERS THIS WEEK

Class 1: In class 1 this week, Damian is the winner of the week for improved concentration and writing.

Class 2: Class 2 prize is awarded to Cooper for doing all his homework and making others feeling good by using words of kindness.

Class 3: This week in class 3, Louisa is our winner of the week for caring and helping other students and also doing extra outside of school.

Class 1: Class 1 have had a fabulous time this week even though the weather wasn't. Across the class our children have been busy with their phonics and we are seeing lots of improvement. Reception children have been developing their number counting and recognition. Year 1 children have been completing their work with less than, greater than and equal to. We have heard the children using this language in talk and applying their knowledge. We are moving onto addition and subtraction next week using number tracks to help. We all enjoyed a very windy outdoor science session, however we in muddy season, please remember old clothes.

Class 2: In class 2 we have been revisiting the sounds- aw, magic e, ture, silent g and silent k. We have written sentences with commas for a list and also a diary. In maths we have been using the 3 x table to calculate pocket money as well as ordering the days of the week.

Class 3: At the beginning of the week we all started to look at South American dishes, we cooked Grissini, Alfajores and Brigadeiro (They were all very tasty). On Thursday this week all the juniors went on a trip to Ennerdale. We found lots of cool and interesting things, including SLUGS! We measured river flow speed. After a quite a big walk we stopped in a medieval settlement for DINNER!!! Sadly after lunch we had to walk back to the buses/cars. So I can say we had a very fun week. "It was very fun, I learned lots but we got WET!" – Mia Anderson & Phoebe Quinn

Attendance/punctuality As you know, changes in government policy mean I am unable to authorise holidays in term time as pupil's routines are disrupted and they miss out on parts of the curriculum and social interaction with their friends. Similarly, being late, also means they are beginning their day rushed or stressed and missing out on learning. To encourage pupils to have good attendance and be in school at ten to 9, each class will receive certificates and treats each week for full class attendance with no "lates."

Reminders Any outstanding flu immunisation letters need to be returned to school as soon as possible. If you have not applied for a secondary school for your child we strongly advise you to apply for one quickly as the cutoff date for all applications is 31st October 2019 for your child to start in September 2020. Please check your child's head this weekend as we have received a report of head lice. Please treat accordingly.

Welcome new governors We are delighted to welcome 3 new governors to Lowca's school governor team: Michael Woodend , Victoria Quin and Rachel Spedding. We feel sure they will be a great asset to the team.

Following on from last week's National Poetry Day, In Year 6 this week we have had other brilliant poems written by Kaleb Crosby called 'Lowca School' and Mia Anderson called ' Ennerdale'.

Lowca School

- Learning
- Observant
- Work
- Comprehension
- Amazing
- Sports
- Coffee
- Happy Children
- Out of this World
