WINNERS THIS WEEK

Class 1: R- Rhiannon for her reading skills

Year 1:- Logan for general improvement in everything

Class 2: Lily-Rie for her improved spellings results.

Class 3: Upper Junior- Dexter for improved speed in maths

Lower Junior- Daniel McGuirk for poetry

Class 1

Well, we thought learning about space was exciting, but our learning about pirates is just as good! Harr-harr!! We took the reception children outside on to our play patio and built ourselves a pirate ship, which really helped the children learn about team –building skills and working together. Well done with taking turns and settling arguments in a kind way.

We also welcomed Miss Fitzmaurice to our class this week, she is continuing with her teacher training and will be with us for another 3 weeks. Year1 have been busy learning sentence structure and verbs and nouns – ask them what they have learned so far. In maths we have been working with our number bonds up to 20. We have some very quick and clever children in our class, ask your child which numbers will partner each other up to 10 and then up to 20- you will be impressed!! Reception children are coming on great, more of them now have reading books, and all of them are doing incredibly well with their phonics, and in

maths they have begun to do simple recording with the '+' sign -well done everyone !

Class 2

Pirate Performance Poem

Year 2's have learned a pirate poem and enjoyed performing it with actions to reception and year 1.

They have also made great progress in learning their 4 times tables as well as reading co-ordinates.

Class 3 Class 3 started their topic on 'weather and climates'. They have already researched different kinds of weather and how it can affect our lives and environment, and they have been practicing answering questions about the weather in French! They have written weather poems and have included examples of 'figurative 'language. All of the class have enjoyed their first Judo lesson this week and are looking forward to next week's.

DIARY DATES 2018
