WINNERS THIS WEEK

Infants: Leyton for his superb grasp of phonics

Upper Junior: Kaleb for his general hard work

Lower Junior: Lola Crosby for superb fraction work

Class 1 In class 1 this week years 1 and 2 spelling skills have really come on with many children getting full marks or very close to full marks. The children have enjoyed lots of shape work and can identify lots of 2D and 3D shapes in the environment. The children have also enjoyed working with our two trainees, Molly Gilmour and Elliemae Smith, and lots of new friendships have emerged. We did manage to get out for a little while yesterday and the

reception children were fascinated watching the leaves being blown down from the trees. Meanwhile Y1 and Y2 found out about hibernation- something we would all like to be doing around now!

Class 2 In class 2 we have been looking at the small words that help change written notes into full sentences linked to World War II. In maths we have been studying angles as a measure of turn and a measure of corners in shapes. We are also learning by heart, the 6 times table this week.

Class 3

The juniors have really enjoyed continuing on with their WW11 topic this week and actually had a go at making some of the food that you would have eaten back then, such as Spam Hash and Macaroni Bacon , which all smelled delicious and filled the hall with an amazing aroma!! They are looking forward to the visit on Monday from Mr. Coyles who has some WW1 artifacts about local people to show the children. They all had a really good swimming session today.

Our harvest festival this year will be led by Reverend Paul Kerry on Monday at 1.00p.m. Could we ask the children for donations of non - perishable foods for the food bank in Whitehaven? Thank You.

SCHOOL DINNER MENU- W/B MON 15th October 2018- Week 1. Please remember to check your child's/children's order on the Lunchshop website.
