WINNERS THIS WEEK

Class 1: Rhys for a great attitude to learning and kind to others

Class 2: The winner this week in class 2 is Jack for remembering homework, being a great class team member and quickly picking up maths ideas.

Class 3: Finn for his superb balanced argument and newspaper report write-ups

Class 1: Class 1 have been very excited this week we have been doing more work with rhyme words and will write our class poem next week. Ask your child to find rhyming words as you have a conversation they will also make up words – if they rhyme that's ok. In maths we have looked at place value. Our infant children enjoyed the panto at the Carnegie and their behaviour was brilliant. We all had a fab time at the school party and meeting Santa.

Class 2: In class 2 we have been finding missing numbers in a sequence, making the greater than (crocodile sign) face the right way and doing Christmas algebra. Try this oneWhat does * (snowflake equal)? * < 10

$$* > 7$$

* is odd

Answer *=9

We have written pantomime reviews and sequenced the " beauty and the beast" story in English.

Class 3: This week the juniors have been very busy on top of all of our clever, exciting work we have also managed to finish our calendars, take photos with the green screen for our cards and have a snowball fight in P.E. The year 5s and 6s have been learning about fractions and the year 6s have been finishing their unit on area and perimeter. We all enjoyed the pantomime on Tuesday and on Wednesday the juniors learned how to write a newspaper report about our trip.
