

Friday 13th October 2017

Prize Winners

Reception: Kaidence Walker for always working hard and being kind and helpful to his friends.

Year 1: Franki Saki for improved writing skills

Year2: Courtney Bragg for having such a great attitude towards learning.

Lower Junior: Keely Woodend for her scientific thinking and development of her practical work skills.

Upper Junior: Lewis Robinson for his 'sea-bin' knowledge and answering questions whilst on our school trip on Tuesday.

Class 1: Well done to our fantastic spellers!!! Thank you for practising with the pupils at home. This week we have been busy preparing for the Harvest Festival which we are having on Monday. We have made up an acrostic poem. The reception children have been busy recognising numbers and also learning a new song for the Festival- please feel free to attend.

Class 2: Class 2 have been learning about data handling in their maths sessions. At the beginning of this learning they found it tricky but it was wonderful to hear them saying "Oh we really get this now!" by the end of the week. They have also been enjoying free story writing. This encourages them to write at length and have great story composition. The spelling test scores are improving but we are aiming for 10/10 for everyone by Christmas ! Keep up the hard work and we will get a special treat if we achieve our target.

Class 3: The juniors have started to rehearse their fashion show and fine tune their introductions for next Wednesday's performance. Everyone is very excited and hope you can join them in the school hall at 2.00pm to see their 'up-cycled' creations!! Years 5 and 6 really enjoyed their visit to Whitehaven Harbour where they learned loads of stuff about the new sea-bins project that will help the Harbour commissioner keep the rubbish under control. Did you know that they clean the harbour every day and pull out 1 tonne of rubbish EACH WEEK! That is 52 tonnes a year. Our pupils were horrified at the amount of rubbish pulled out. Makes you think, doesn't it?

Can we please ask that those parents/carers with children due to move up to secondary school in September 2018 make sure their application is submitted by 31st October? You should have received a unique reference number by now which you will need when you submit your application, make sure you put three choices on otherwise you may be allocated somewhere obscure!!! (Those children who are due to join reception in 2018 need to have their submission in by March 2018)

Diary Dates

Friday 13 th October	Juniors swimming lesson- back at 3.40 p.m.
Friday 13 th October	Pie and Pea supper at The Rugby Club, 6.00pm
