

Friday 16TH March 2018

WINNERS THIS WEEK

Class1: Isabella for much improved writing

Class2: Theo for his fantastic grass hopper poem

Class 3: Upper Junior- Aaron for his research work

Lower Junior- Kaleb for working really hard in maths and persevering

CLASS 1

The infant children have been so industrious this week, they have been busy all the time! The reception children are achieving more focus in their letter formation in their writing- some of their work is quite legible and easy to read- amazing! They are also getting much better with their numbers. They are also progressing in their sentence structure. Year1 have become really good at estimating vessels and their capacity-for instance, they made a good guess at how many cups it would take to fill the pans they were working with. In their English work they showed how good they are at listening very carefully and then recounting the story. They also studied the life cycle of a bean...be warned, they may be wanting to plant stuff over the week-end!

Class 2

We are continuing our James and the Giant Peach work and have been writing poems about grasshoppers and about peaches (inspired by our fruit tasting.)We are enjoying counting money and matching equivalent values made using different coins. The children have transformed the home corner into a shop and next week we will be learning how to total shopping lists and give change from a pound coin.

CLASS 3

Class 3 have been busy with all kinds of topics. Years 3 and 4 are shown here thinking about research questions they could use for their Solomon Islands projects, Year 5 are completing activities for the Unlocke project with Frederico who came in to school today, and Y6 are busy doing SATs revision for their exams in May. It's all go in Class 3!

SCHOOL DINNER MENU- W/B 19th March 2018- Week 2

DIARY DATES 2018

WEDS 21ST MAR 1.15-2.15PM JUNIORS JUDO WEEK 9
WEDS 28TH MAR 1.15-2.15PM JUNIORS JUDO WEEK 10- LAST ONE
