## WINNERS THIS WEEK

**Class 1:** R-Cooper for being a superb 'teacher' and helping his class mates.

**Year 1:**-Frankie for staying on task and producing some super sentences

**Class2:** Indy for being a fabulous all-rounder this week .

**Class 3:** Upper Junior-Harvey for spellings

improvement.

**Lower Junior-**Finley for his maths understanding and excellent vocabulary.

### Class 1

In class we have covered co-ordinates in maths and the children are now familiar with grids and how to say a co-ordinate to find objects. In English we have completed more sentence work that not only includes a verb and noun but also an adjective to describe either the verb or noun (get your head round that if you can!) We have enjoyed lots of pirate stories and the children are coming to terms with the fact that pirates weren't very nice people, although fiction can paint them in as good light!

### Class 2

Class 2 had a fabulous 'Pirate' P.E. session with Miss Fitzmaurice this afternoon- they had to carry out 'commands' from the captain such as 'walking the plank' and 'hopping on peg legs' and whilst having a great time they have been learning about the effects of exercise on the body. They have also done brilliantly in their lessons this week and are really doing some great learning.

### Class 3

The juniors have set up a working 'water-cycle' in their enclosed dinosaur tank in class this week. They have cleverly simulated an atmosphere with clouds and managed to make it 'rain' on to their model dinosaurs! They have also studied other types of weather and have been looking into how 'winds' are made(no, not with beans....) Next week we are going to be writing

our entries for the BBC 500 words competition- perhaps you could help them come up with ideas for their stories.

## Sickness and Diarrhoea

As most parents are aware, we have been ravaged by a couple of sickness bugs, one of which is a nasty sickness and diarrhoea ailment. Can we please remind parents and careers that the guidelines as set out by the Public Health Agency is 48 hours from the last episode of sickness /diarrhoea must elapse before they can be sent back to school . We have had 9 pupils off today with various illnesses and we hope that this rash of ailments passes by before the holidays are on us and we wish them all a speedy recovery .
