

Friday 1<sup>st</sup> December 2017

## Prize Winners

- Reception:** Rhiannon for excellent reading and lots of effort
- Year 1** Isabella for being so gracious with her fellow pupils
- Year2** Kade for consistent spelling homework- resulting in great weekly spelling scores!
- Lower Junior:** Results next week as out at swimming gala
- Upper Junior:** Results next week as out at swimming gala

## INFANTS

The infants are still excited about their space topic and this week we looked at other explorers and we learned that some explorers are still alive now. In Year 1 we spent more time looking at Neil Armstrong and we

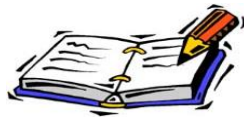

studied his timeline from his birth in 1930 up to his death in 2012. Perhaps you could do a time line with your child covering from their birth until now? Y1 children have enjoyed playing with money and have been buying and selling cars and dinosaurs, with the focus of giving change from 10 pence- have a go with your child counting money from 'jars' and ask them about 'change'. Reception children have been doing some great work with their 'phonics'. In English the children have sequenced their Christmas stories and have written their letters to Santa-HO! HO! HO! On another note we have also seen some great progress with their maths-well done!

## JUNIORS

The Juniors have had a busy week- again!-starting off with their final swimming lesson on Monday morning, followed by a visit to Lakes College on Wednesday where they entered the Bloodhound SSC knex car challenge. They were impeccably behaved (as always) and asked and answered some amazing questions- and we WON! Team Spinners (Harvey, Mia, Lola Crosby and Keely) were the fastest team and got our name on the Bloodhound tail fin! On Thursday Mr Draper from Nuvia came in and taught us some fantastic new information about Maths, Science, Engineering and Chimneys!

## Diary Dates
