

## Friday 21<sup>st</sup> December 2018

Here we are again at the end of another term and another year-where has the time gone?! We are amazed at how well the September intake in reception have done this term , and how all our pupils have worked so hard and have tried to give their very best. Well done to every one of our amazing pupils! We wish all of our pupils and their families a very merry Christmas and a lovely 2019.

### WINNERS THIS WEEK

**Infants** Damian for much improved listening.

**Upper Junior** All of them for working so hard all term

**Lower Junior** Kade for his excellent work ethic

**Class1** Keep calm and carry on- it's Christmas! Yesterday in outdoor science we looked at 'pushes and pulls '.Lots of our toys you have to push or pull and the children have enjoyed finding out how each of them have worked. The children were absolutely fab with their nativity play, well done! We hope everyone enjoys their break. The children are ready for their holiday after having worked so hard this term.

**Class 2** Class 2 have been doing gingerbread maths this week. We've been measuring area and perimeters as well as making 2D nets for the 3D shapes. In English we have been practising how to do Theatre reviews too.

Well done Reggie for all your sporting achievements!

**Class 3** The juniors have been very busy again this week. Amongst everything else we have learned about Werner Von Braun and his groundbreaking work into Roker Science plus we have looked at the forces behind getting humans off the ground and into space. Our new topic is 'Houses, Homes and

settlements'. Thank you to every junior who was able to attend the church Nativity service to support the infants with the singing. We wish you a safe and happy holiday. Make sure you get plenty of rest as next term is going to be busy! Congratulations to our year 6 who are now ranked 31st in the whole country for spelling ability!

**Mrs. Carter** We are so grateful for all your enthusiastic work with the children over many years and wish you much fun on your semi-retirement..but no tears, as we will see you on Mondays in the new year on a "supply" basis. Happy Christmas !

**General Stuff** School starts back for the pupils on Tuesday 8<sup>th</sup> January 2019 at 8.50am

**PLEASE ENSURE YOUR CHILD'S LUNCHES ARE ORDERED FOR THE WEEK WE GET BACK-THE MENU WILL BE AVAILABLE THE WEEK BEFORE WE RETURN TO SCHOOL.**
