Class 3:Upper Junior Harry for his comprehension work

Lower Junior- Daniel Smye for his maths understanding

KS 1

It's been a hive of activity in Class 1 this week as our pirate topic comes to an end, and we topped it off with our visit to the Rum Story on Tuesday. All the children were fabulous, and their good behaviour was commented on by the members of staff there. We found out lots of facts linking Whitehaven to the Caribbean- Whitehaven has a rich history with pirates, smugglers and the slave trade. The children have written little pirate adventure stories as well as doing some super reading, phonics and telling the time. All the infant children enjoyed 'Big Art' where they created a huge pirate frieze, its brilliant - take a little peek in Class 1 where we found a 'little' place to hang it! Our next topic for spring term when we come back is 'Growing' and we have lots of exciting things planned.

Ks 2

The juniors have completed their 9th Terrific Scientific investigation this week, in which they were again looking at saving electricity. Our electricity detectives have been busy scouring the school looking for lights being left on and things like that and have managed to save 7KWH of energy! Well done. They have also been doing there 'weather forecasts' in front of the green screen and have recorded their reports- they really had a great time and did brilliant work! Our new topic is looking at developing countries and our focus will be the 'Solomon Islands'.

HAPPY HOURS NURSERY Happy hours will be open as normal during February half term (Monday to Friday) 8am-5.30pm.) There will be fun activities available for children of all ages from toddlers up to year 6.

Theme days include:

Monday-traditional games

Tuesday-arts and crafts

Wednesday-construction and de-construction activities.

Thursday-cookery club

Friday-multi-sports.
