

Thursday 29th March 2018

Well, can you believe the spring term is over already! The progress of the children since September has been amazing, and we are really looking forward to our learning as we come back in to school for the summer term. We wish everyone a really lovely holiday, let's hope we get some good weather!

### WINNERS THIS WEEK

**Class1:** Roxy for super maths- working out the 'pattern' of the numbers

**Class2:** Nate for his amazing problem solving

**Class 3:** Upper Junior- all of year six for getting superb results in their SATs 'Mocks' in class-the recent maths gave all pupils a result of 100%!!

**Lower Junior-**Sonny for his improvement in his maths understanding

### Class 1

The children are very excited to be at the end of the spring term and be on holiday for the next two weeks- and what a busy term it has been! Reception children have continued with their reading and sentence building work this week, whilst Y1 have been using connectives

and adjectives to make complex sentences. In maths they have been adding three numbers together and counting in '10's'.

We have sent their bean seeds home with them today so that they can look after them during the holidays and enjoy seeing the changes as they grow. If they survive (!! ) they can bring them back in to school for the summer term as we are continuing with 'growing things', we will have frogs and butterflies to nurture and observe during the first half of the summer term.

## CLASS 2

This week year 2's have been measuring and revisited fractions as they made their Easter egg nests. They also wrote recipes, Easter bunny stories, reading comprehension and poems.

## CLASS 3

All of Class 3 have worked so hard over these last few weeks, they are ready for a good restful holiday with plenty of down time and fresh air! Could we please ask that they maintain a good reading routine whilst on holiday so that they don't lose the ground that they have gained so far, nothing to long but regular little bits? Also, if year 6 could do the 'Bitesize' maths on line this will help them keep prepared for the SATs.

**After Easter**, the juniors will be doing their P.E. sessions outside (weather permitting) Please can you ensure they bring:

- Shorts
- T-shirts
- Long leggings/ jogging bottoms
- Hoody/track suit top
- Suitable trainers with 'grippy' soles (and a pair of old trainers for when they are on the field and a carrier bag to fetch them home in when dirty!)

**CAN JUNIORS PLEASE BRING THEIR P.E. KITS IN ON A MONDAY AND LEAVE THEM IN SCHOOL ALL WEEK AS THEIR P.E. DAYS WILL NOT BE ON A FIXED DAY.THANK YOU.**

Could we also ask if any one has any old newspapers, could you bring them in to school so that we can use them in art projects? Thank you.

## LUNCH SHOP

We are very excited to announce that from Monday the 30<sup>th</sup> of April we will be set up for parents to order their child's lunches 'on line'. This means that the meal will be ordered by the child's parent/carer and means that, if you wish, you can alter the order on the day as long as it

*Head teacher: Mrs Joanne Crawford  
E-mail: admin@lowca.cumbria.sch.uk*

is changed or ordered by 9.30am. All meals will be ordered by the parents/carers and not by school. Payments will be made direct on the system so no money will be paid in to school. You will be able to change between school lunches and packed lunches whenever you want, as long as the order is placed by 9.30am. Those entitled to free school meals will not need to pay but the order still needs to be placed on this system. You can order and pay up to 3 weeks in advance. More details will follow with log-on codes for parents and instructions on how to use it after the Easter holidays. There will also be a training session for parents on Tuesday the 18th April from 9.00am by one of the people installing the system. **(Meals will no longer be ordered by the school)**

### General Reminders:

Please can we remind parents and carers that the school lessons start at 8.50am. We have noticed there are a number of pupils arriving at 9.00am or thereabouts, which means your child is missing out on the start of their lessons. Your child gets a 'late' mark against them when they arrive after starting time. After the Easter holidays the gates will be locked at 9.00am so you will need to come to the main entrance to get in. (This is a safe guarding issue that has been brought to our attention which we are required to address. We thank you for your understanding and co-operation in this matter)

Can we ask that all pupils be provided with a pair of wellingtons (that fit- it's surprising how quickly they get grown out of!) that can stay in school all term so that when there are outdoor activities and the ground is muddy they can change in to these and save their shoes from getting dirty

### SCHOOL DINNER MENU- W/B 16<sup>th</sup> April 2018- Week 1

---

## DIARY DATES 2018

WEDS 18<sup>TH</sup> APRIL 1.15PM TAG RUGBY- JUNIORS
