

Tuesday 25th September 2018

## WINNERS THIS WEEK

**Infants:** Hannah for being brilliant at Bassenfell

**Upper Junior:** Dexter and Daniel Johnstone for brilliant teamwork, kindness and maturity at Bassenfell

**Lower Junior:** Reggie for his brilliant attitude at Bassenfell too!

**Bassenfell 2018** Bassenfell was brilliant as ever. Sorry no pictures on Friday but our computer server was playing up. Well done to all the children who embraced all the challenges and activities with such enthusiasm, confidence and bravery... great character building stuff!

### **Juniors' trip 3<sup>rd</sup> October (YRS.3, 4, 5, 6.)**

To cheer up Harvey and Finn, who couldn't come to Bassenfell due to illness, Key stage 2 will be going on a World War 2 evacuee trip. Children are invited to dress up as World War 2 evacuees. We will be making gas masks and gas mask boxes within school. Boys would look good in school pants and shirt with a charity shop waistcoat or tank top and flat cap. Girls would look good in a dress and charity shop knitted cardigan. Please send them in a warm coat though (doesn't have to be vintage) as we will be walking down to Parton station then going to the Beacon centre on the train. School will be funding the cost of this trip. Children will need a packed lunch please.

**Class 1** Our Bassenfell trip was absolutely brilliant and was enjoyed by everyone. Reception class did everything that they were told to do and had a good go at their activities, year 1 and year 2 played hard and slept hard and we didn't hear a murmur out of them on Thursday night! Well done all of class 1.

**Class 2** We have been writing evacuee diary entries, contrasting the city with the countryside and writing Bassenfell diaries. In maths we have been thinking about 3-D shapes and recapping the 2 x table as well as revisiting the 3x table by designing our own dot to dot puzzles- to make it fun.

**Class 3** The juniors had an amazing time at Bassenfell and their behaviour was exceptional. They really worked well together and thoroughly enjoyed themselves and are eagerly looking forward to next time. They are also looking forward to being evacuated next week and going down to the Beacon as they learn about what it was like to be a child in the Second World War.

**SCHOOL DINNER MENU- W/B MON 24th September 2018- Week 1. Please remember to check your child's/children's order on the Lunchshop website.**

## DIARY DATES 2018

Wednesday 26<sup>th</sup> September Junior's visit Lakes College for React science show, afternoon showing so back to school in time for finishing.

Friday 28<sup>th</sup> September Junior's swim week 3

Wednesday 3<sup>rd</sup> October 9.00a.m. Years 3, 4, 5, and 6 going to The Beacon and being evacuated from Lowca School!

Wednesday 3<sup>rd</sup> October 1.00p.m. Bernardo's visiting school to do safeguarding presentations to KS1 and Ks2

Friday 5<sup>th</sup> October Junior's swim week 4

Friday 19<sup>th</sup> October Years R, 1, 2,3,4,5 all getting Nasal Flu immunisation (NOT an injection) the nurse is coming in to school for 9.30a.m. start. We had a great take up success rate of 100% last year and the school received a certificate in recognition of this. It has been proven that immunisation at this level had a positive impact on the amount of hospitalisations for vulnerable people so we would really love to have 100% take up within the school so that we can do our bit to help keep people healthy. Thank you for the consent forms we have received thus far.
